## Spacecoast Technical Network

The Spacecoast Technical Network, STN, is a grassroots organization that started with a small group of displaced Aerospace workers who began meeting to discuss the job market and share leads. Today, the membership is over 100 and growing weekly. Speakers bring information,

inspiration and motivation. STN is about securing Employment, plugging into Educational resources, and providing professional support for Entrepreneurial efforts of our members.

Members are excited about gathering together to help others and the community. We are using our resources and talents in a group effort to... Rebuild Our Community...One Person at a Time!

### The SpaceCoast Technical Network Offers Two Positions of Membership.

**Associate Member** - Associate members are seeking to re-establish their income stream. Many of our associate members have since moved on to new positions of employment. Some are starting their own business, while others have re-enrolled in an educational curriculum that will provide them with new skill sets and/or certificates for the next step in their career.

**Business Support Member** - Business support members offer the expertise and resources of their businesses to aid and assist the STN in its quest to strengthen the economic situation of the community. The support of the local business community is the key to the completion of all STN goals.

**One Year Membership is just \$20**
