And THIRD - The Board of Directors Elections.

Have you ever wondered what goes on behind the scenes in running the organization? Have you wanted to be a more integral part of deciding the direction of the organization? This is your chance.

The board of Directors elections will be held in September, so now is the time to get your name submitted for one of the open positions.

The meetings are held once a month, on the last Friday, after the regular meeting. The appointments are for two year terms.

Only members are eligible to hold and office, so if you have not decided to become a member yet, this is the time for you.

All candidates will be put on a ballot that will be sent out to the membership (only members can vote), and after the elections, the votes will be tallied and the results will be announced in December at the Holiday Celebration Meeting.

We look forward to welcoming our new board members. If you have any questions about the upcoming positions and what they entail, please send an email to Gail Peek at STN.eventcoordinator@yahoo.com.
