The Power of Positive Attitude

By [Remez Sasson](#)

Positive attitude is the cause of success and happiness.

Positive attitude helps you cope more easily with the daily affairs of life. It brings optimism into your life, and makes it easier to avoid worries and negative thinking. If you adopt it as a way of life, it will bring constructive changes into your life, and makes them happier, brighter and more successful.

With a positive attitude you see the bright side of life, become optimistic, and expect the best to happen. It is certainly a state of mind that is well worth developing.

Positive attitude manifests in the following ways:

- Positive thinking.
- Constructive thinking.
- Creative thinking.
- Optimism.
- Motivation to accomplish your goals.
- Choosing happiness.

It also expresses itself as:

- Expectation of success.
- Being inspired.
- Not giving up.
- Looking at failure and problems as blessings in disguise.
- Believing in yourself and in your abilities.>
- Displaying self-esteem and confidence.
- Looking for solutions.
- Seeing opportunities.

JOIN STN NOW !!!

The Spacecoast Technical Network Offers Two Levels of Membership

Associate Member - are seeking to re-establish their income stream. Many of our associate members have since moved on to new positions of employment. Some are starting their own business, while others have re-enrolled in an educational curriculum that will provide them with new skill sets and/or certificates for the next step in their career.

Business Support Member - offer the expertise and resources of their businesses to aid and assist the STN in its quest to strengthen the economic situation of the community. The support of the local business community is the key to the completion of all STN goals.

One Year Membership is just \$20. Contact [Herb McElrath](#), Director of Membership Services Via Email For More Information Or...
