SPECIAL ANNOUNCEMENT - UPDATE -

As this year comes to an end we will be looking to the new year and some changes in our approach to reach out and communicate with our members.

We will be developing meetings as required by any internal programs and those in partnership with other organizations and institutions.

We are still in search of a new facility for our meetings. We will notify you via our web site and newsletter as to the new location and any special meetings.

In the interim, we will be continuing our newsletter monthly series of "How To" and motivational articles on the job search process.

You are encouraged to utilize the services available to you on our WEB site and the STN Member Discussion Forums/Bulletin Board. In particular we request you update your profile to be included in the STN Database. The data base is a tool that is at the heart of STN and our ability to be a source of job opportunity notifications and developmental information programs.

The schedule for STN Newsletter distribution has changed from weekly to twice a month on the first and third weeks of the month. "How To" and motivational articles on the job search process will be on the first week of the month.
